

ILLINOIS UNINSURED AND UNDERINSURED MOTORIST SELECTION FORM

Uninsured Motorist Coverage provides you protection when you are legally entitled to recover damages for bodily injury or death, caused by the owner of an uninsured auto.

Underinsured Motorist Coverage provides you protection when you are legally entitled to recover damages for bodily injury or death, caused by the owner of an auto which was insured at the time of loss, but whose limits of Bodily Injury Liability Coverage are less than you are legally entitled to recover, as the injured party.

These additional Coverages are required to be part of your auto policy at limits equal to the minimum limits required by the State Financial Responsibility Law. They are, however, available to you at any limits up to the Bodily Injury Liability Coverage limits of your policy, at additional premium.

To be certain that your policy is issued correctly, please indicate your choice concerning the limit desired for this additional coverage ("x" indicates your choice).
